SAINT PETER'S  
UNIVERSITY

ACADEMIC & PROFESSIONAL  
EXCELLENCE EXPERIENCE

You're ambitious, motivated and tenacious - the definition of a Saint Peter's Peacock! That's why we created APEX – the Academic and Professional Excellence Experience, designed for driven students just like you.

## Redefining the Speed of Success

- APEX is a four-year experience where you'll earn your bachelor's, two professional certificates and a master's degree. You'll also complete a year-long paid working experience with one of our Professional Experience Partners.
- You'll have the same support as a traditional undergraduate - support and extracurriculars of an established University behind you.
- While this program ultimately saves you time and money, you won't miss out on any of your college experience. You'll make friends, participate in activities, live on-campus and be a part of the Saint Peter's community.

## About Saint Peter's University:

Inspired by our Jesuit identity, our focus is educating the whole person - keeping us grounded and focused on the individual. There are many opportunities for students to share their talents, collaborate and grow as the kind of leader who has a strong moral and ethical compass. It's a great tradition - and an impressive network - to belong to: For nearly 500 years, a Jesuit education has produced distinguished leaders and change-makers in every sector and all over the world.
